Bill,

I just shared this information with Misty.

Axiom Group schedule was shared. It does not have a location – only individual phases of work per week. The weekly start date says 2/19/18, but they pushed it a week out due to the holiday on Monday.

We have a call next Tuesday at 1:30 PM in case you'd like to join. I think we'll have a better idea of the location or we can ask. Here is the call info below. Thanks!

Hello,

Just want to let you know that mobilization will commence on **Monday, February 26<sup>th</sup>**. The construction work will be split into six total phases, with an end date of March 30<sup>th</sup>.

The first phase will include three locations where demo concrete, pour concrete, and mosaic installation will occur. I will be assigned to notifying businesses impacted at each phase of location prior to mobilization occurring.

Axiom Group will be coordinating special traffic control and restricting parking meters for construction.

I plan to begin notifying businesses mid to late next week.

Thanks!
